The Building

Will Eisner : The Building before purchasing it in order to gage whether or not it would be worth my time, and all praised The Building:

0 of 0 people found the following review helpful. Not hardcover. But still a great book.By Randy SmithThe book and artwork are great. I just did not like the fact that the title of the item says (hardcover) and it's a paperback. Really stupid.0 of 0 people found the following review helpful. Eisner - Dostoyevsky - James Joyce - MenschBy truthorconsequencesCosmic everyday horrors seen through the pen eyes and vision of Will Eisner. The way the world is. One of the very best Graphic Novels anytime anywhere0 of 0 people found the following review helpful. A great storyteller can show a bare heart in few linesBy KafishnaA great storyteller can show a bare heart in few lines. Same is true for Will Eisner, who was a master story teller, as well as a keen social observer. I have just left a review on his City People Notebook, and like that one, this one deserves a five star. No super-heroes here, only down and dirty humanity and their stories will melt your heart. What is so amazing is that how realistic Eisner's depiction could be, despite his being a cartoon/comics medium. Without color and lot of bang-boom expressions he was able to connect us with the feelings, happiness, irony of fate and daily despair of a vibrant, yet utterly unique [should I say "lonely?"] city. Fast, and satisfying reading.

An extraordinary and classic graphic novel celebrating the Big Apple, from the master of American comics art. With an unparalleled eye for stories and expressive illustration, Will Eisner, the master and pioneer of American comics art, presents one of his renowned celebrations of the Big Apple. No illustrator evoked the melancholy duskiness of New

York City as expressively as Eisner, who knew the city from the bottom up. The Building is a story filled with ghosts, and a testament to our greatest human qualities—a deeply moving chronicle of a city building and the people who inhabited it.

About the Author Born in New York City, Will Eisner (1917–2005) was the author of the legendary comic strip *The Spirit*, as well as fifteen graphic novels and three influential instructional textbooks. The comic industry's top awards, the Eisner Awards, are named in his honor.
