The Cocktail Shaker: The Tanqueray Guide

Simon Khachadourian : The Cocktail Shaker: The Tanqueray Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cocktail Shaker: The Tanqueray Guide:

The cocktail shaker, once a symbol of elegance, is now eminently collectible. This reference, designed for collectors and admirers alike, celebrates a golden age when designers from the famous luxury goods houses had a ball with novelty cocktail shakers. ""Thirst extinguishers"", skyscrapers, lighthouses, penguins, ship's lanterns and dumb-bells, decorative and practical, were favourite themes, and with the legalisation of liquor in the USA, following the repeal of the Prohibition in 1933, cocktail sets were in great demand. Art-Deco-inspired shakers exemplified the age and found favour with the smart set in New York, Paris and elsewhere. This volume features over 150 photographs of shakers.
