(Download) The Collector's Guide to Classic Cameras 1945-1985

## **The Collector's Guide to Classic Cameras 1945-1985**

**John Wade : The Collector's Guide to Classic Cameras 1945-1985** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Collector's Guide to Classic Cameras 1945-1985:

0 of 0 people found the following review helpful. informative..By ahasayit is ok.have bunch of the cameras he was referring to..nice to read about them..1 of 1 people found the following review helpful. A must for serious collectorsBy JRJohn Wade comes through again with an updated look at collecting classic cameras. Many photos - a lot of history - and solid advice.

John Wade briefly introduces the collector to the early days of photography that led to the post-war period, then guides the reader through the many different styles, shapes, specifications and advances in technology that make up the era between 1945 and 1985. The result is a well-illustrated and comprehensive book.
