The Complete Book of U.S. Military Pocket Knives: From the Revolutionary War to the Present

Michael W. Silvey : The Complete Book of U.S. Military Pocket Knives: From the Revolutionary War to the Present before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Book of U.S. Military Pocket Knives: From the Revolutionary War to the Present:

0 of 0 people found the following review helpful. A fine book for the knife enthusiastBy DeeJAn excellent book about pocket knives issued to our military as well as those used by the military and purchased by individuals for use on active duty.1 of 1 people found the following review helpful. Five StarsBy Charlie LURPThis is the definitive reference on this subject for sure!0 of 0 people found the following review helpful. This is a remarkable and

remarkably created AND informative trek ...By robert d. lowryThis is a remarkable and remarkably created AND informative trek through a most uniquesubject just not otherwise found, at least of this scope and quality.The photographs including of the rarest of the rare knives that all played an essential part in this Country's Historyare creative and precise and the writing is concisely informative,written by a premier collector and custom knifemaker.

This book is a color celebration of the pocket knives of the United States military, and features both U.S. and foreign-made models. It is a historical chronology beginning with the first folders of the early 1800s and ending with the high-tech knives of the twenty-first century. There are nearly 400 color photographs showing hundreds of different issue pocket knivesingle-blade, multi-blade, and multi-toolincluding many that have never been shown in a publication before. Clear, up-close images present manufacturers marks in great detail. This is a book that will be opened time and again just for the pleasure of viewing. It is a book that has something for the beginner as well as the advanced collector and others interested in the cutlery history of the United States military.

About the AuthorMichael W. Silvey has been a knife enthusiast for many years. This is the seventh book he has authored on U.S. military knives.
