Very good referenceBy LorenaLindaMy husband is the collector and I got this for him. He is always referring to it to verify or identify a stamp. Very well done and excellent to have.3 of 3

people found the following review helpful. Useful stamp dictionaryBy Joseph D GaleaUseful stamp dictionary. A book which must be part of our hobby (stamp collection). I recommend it as a necessary tool for our stamp collection hobby.

A full-colour directory of the world's greatest stamps, including photographs over 3000 stamps from more than 200 countries

About the AuthorDr James Mackay was one of the foremost and most prolific authors on stamps and stamp collecting in the world. He wrote over 100 books and thousands of articles on the subject of stamps and other collectables, and owned one of the largest private collections of stamps and philatelic material in the world. His published works include: Commemorative Medals (A Barker); Collectables (Macdonald); The Banknote Yearbook (Token Publishing); and Dictionary of Turn of the Century Antiques (Ward Lock).
