(Free) The Cracker Barrel

## The Cracker Barrel

**Eric Sloane : The Cracker Barrel** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cracker Barrel:

0 of 0 people found the following review helpful. Easy read. My son in law loves Sloane booksBy Joyce ORourkeEasy read. My son in law loves Sloane books.0 of 0 people found the following review helpful. Mr. Sloane Charms AgainBy LWagnerThis is the second time I've read this to my children as a reminder of a different, non-electronic, era. I so appreciate Mr. Sloane's wit, humor, and vast knowledge...not to mention his extraordinary artistic talent. This is my favorite of the several books of his that I own.0 of 0 people found the following review helpful. StoriesBy Julian R. Beckwith, IIIEric Sloane is always good, but this doesn't satisfy me as much as some of his other books.

The old-time country store was more than just an emporium. With its pot-bellied stove and barrel of common crackers

within reach of whoever had the time for chatting, this time-honored institution was also a general meeting house, a public forum, and an entertainment center. With words both wise and droll and his inimitable line drawings, Eric Sloane recreates the flavor of the country store in all its delightful moods and poses. Includes sage opinions on everything from the American necktie, almanacs, and capitalism to "the good old days." 55 illustrations.

About the AuthorThe books of Eric Sloane celebrate the time-honored traditions of early America and remind us of the ties that forever bind us to them. A prolific artist, Sloane created nearly 15,000 paintings and drawings over his lifetime, many of which enhance his delightful books of bygone days.
