[Mobile library] The English Hymnal: Melody edition

## **The English Hymnal: Melody edition**

**From Brand: Oxford University Press : The English Hymnal: Melody edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The English Hymnal: Melody edition:

The traditional edition of the English Hymnal, this volume includes the very best hymnody from medieval plain chant to the early twentieth-century classics. The hymns are grouped according to theme and contain material suitable for

any festival or occasion in the life of a church.
