the friend request

charles soto : the friend request before purchasing it in order to gage whether or not it would be worth my time, and all praised the friend request:

0 of 0 people found the following review helpful. It became my own annoying entertainment. I figured I could get my money's ...By Beach Is LifeI expected so much more from this story. It was predictable, and it pained me to read it. So why did I finish it? I always have hope that a story may turn around and surprise me. That didn't happen. But the main reason I kept going was that I could not believe a book would be published with SO MANY GRAMMATICAL ERRORS. I have no problem with a typo or error here or there, but I was so distracted by them, I started highlighting the mistakes. It became my own annoying entertainment. I figured I could get my money's worth out of my purchase. I

did.0 of 0 people found the following review helpful. Excellent novelBy BMX MomThis was a great book which was an easy read and kept me hooked. I was surprised at how many grammatical errors there were though. Next time this author should have a few more people proofread before publishing it. I would still recommend reading it though.0 of 0 people found the following review helpful. just okBy Molly Maherpretty predictable and not great in keeping my interest. I read it through hoping it would improve, but it never did. Sorry...I wanted to like it but...

Fiction-romance comedy. Does any of us really know who it is we're actually connecting with on the Internet? In this Upbeat, Facebook Romance-Comedy what promises to captivate your heart and steal your laughter, is believing in second chances and fixing regrets, even when it comes from a simple friend request. When Chase Bishop announces his engagement to Heather, a fiance his brother totally despises, his brother/business partner, Sydney, goes to the extreme, willing to do anything to stop the marriage, including starting a Facebook account in Chase's name. For a self made millionaire like Chase, this construction mogul's success came without its rewards. A man who had built an empire with no one to share it with, and to Chase, time was running out. But, when a chance meeting happens between Chase and his high school sweetheart, Carl Bourque, Chase soon discover what lies n the surface wasn't a coincidence at all. Drama and suspense, laughter and love collide in a series of hilarious and touching events, where chaos replaces logic, and regrets fade away in this #1 feel good story of the year! When anything and everything happens, leaving the reader to ask this one simple question, 'do you believe in second chances?'
