The Gold Hunters: A First-Hand Picture of Life in California Mining Camps in the Early Fifties

J.D. Borthwick : The Gold Hunters: A First-Hand Picture of Life in California Mining Camps in the Early Fifties before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gold Hunters: A First-Hand Picture of Life in California Mining Camps in the Early Fifties:

3 of 3 people found the following review helpful. good bookBy Kindle CustomerI love nonfiction, especially history both foreign and American. If you are the same you will like this book. It's definitely not 'light reading' but it makes you think and I like that.0 of 0 people found the following review helpful. I love to read first-person accounts of old historyBy EddieLoI love to read first-person accounts of old history. Mr. Borthwick was there! And he tells a great story of a golden era in California. Good read for history buffs.0 of 0 people found the following review helpful. The thinking and writing in this is incredible!By Brad JensenOne of the best things I have read in my last 60 years. Top notch powers of observation and description. An Englishman who participated in the California gold rush.

A first hand picture of life in California mining camps in the early eighteen fifties
